Hi Erin,

yes, we can talk next week. we expect 350-400 attendees, a mix of crypto-token crowd, entrepreneurs, business managers, investors/VCs, wall street types, regulators and media.

We haven't set the final agenda yet, but thinking about a 15-20 min convo between Ted and I, around mid-day to afternoon.

will you also be involved in the pre-ICO marketing? i have some thoughts on that and will email.

William - looking forward to meeting you. As as a starting point can we schedule time to speak next week?

Let me know when you're available and I'll work around your schedule.

Thanks and enjoy your weekend-
Erin

Ted,
Can you connect me with William or someone at the Token Summit so we can plan? As a starting point, it would be helpful to understand what the profile of the attendees at the summit is and the size of the audience.

Thanks!
